

# GENERAL H. HUGH SHELTON LEADERSHIP FORUM

N.C. State University

with the

General Hugh Shelton Initiative for Leadership Development

The Third Annual Shelton Leadership Forum was held at N.C. State University's McKimmon Conference and Training Center November 19, 2004. Assisting organizations to embrace change, General Shelton, Jim Kouzes, August Busch IV, and Connie Stevens provided insight, wisdom and encouragement for how leaders in corporations, K-12 education, higher education and communities can utilize practical applications of exemplary leadership. Other experts speaking on exemplary leadership within organizations were individuals from SAS, Red Hat; Research Triangle Institute; Inspire Pharmaceuticals; Progress Energy; Mulkey Engineers and Consultants; Resource Pyramids; LtoJ Consulting; Meredith College; Peace College; NC Community College System; N.C. State University, and many others. The Shelton Leadership Mission is to inspire, educate and develop values-based leaders committed to personal integrity, professional ethics and selfless service. Through generous donations and educational supporters, we were able to raise over \$75,000 in support of the Third Annual Shelton Leadership Forum at N.C. State University.
